Blood Relations:-

In our relatives how they are related with us is "Blood Relations".

↳ Blood Relation starts from a person who is reference or source person in the given relation. Generally who is briefing about the relation, from him only Blood Relation starts.

↳ To understand about all different kind of Blood Relations we must take ourselfs as reference person. Nothing But 'I' (yourself).

↳ 'g' nothing but current generation (or) present generation (your generation).

↳ Previous first generation → Parents generation.

↳ Previous second generation → Grand Parents generation.

↳ Prev 3rd generation → Great grand parents generation.

↳ Prev 4th & before generations means we can call them Fore Parents.

↳ Next 1st generation → Children generation.

↳ Next 2nd generation → Grand children generation.

↳ Next 3rd generation → Great grand children generation.
↳ Next 4th & after them → Future generation.
